

ARI Simulation is pleased to announce the award for **Technology Provider of the Year 2015** conferred at the Samudra Manthan Award Ceremony on 6th November 2015 held at the Hyatt Regency, Mumbai.

Mrs Naomi Rewari, Director received the award at a glittering event attended by eminent guests including Hon Shri Subhash Desai, Minister for Industries, Govt. of Maharashtra; Hon Shri Gopal Shetty, Member of Parliament; Shri Deepak Shetty, Director General of Shipping and actor, writer and film maker, Shri Nana Patekar.

Stalwarts of the shipping industry, ports and logistics sectors were at the gala which is one of the significant events in the Indian shipping world recognising significant contribution to the industry and excellence in product and service.

This award reinforces ARI Simulation's position as the major marine, ports and offshore simulation Technology Company in India.
